

DIGITAL FILES IN TRANSLATION

For information on receiving copies of these translations, please contact either the service body that translated the literature or the Publications Department at the World Service Office.

Additionally, many literature documents posted on oa.org are **now available to auto-translate directly from the web page** using the “Translate” drop-down menu at the top of the window. If you need assistance with this process, please email info@oa.org.

Finally, under the “Discontinued Literature” headings of this document, you will find translations of materials that are not considered OA-approved literature anymore. Please use them only until a new translation of the current/replacement OA-approved literature is completed in your language.

OA’s World Service Office has digital copies of the following translated materials:
