**New Business Motion B**

Move to create the following public communications policy and rescind World Service Business Conference Policies 2008b, 2008c, 2008d, and 2008e.

It is proposed that Overeaters Anonymous adopt a Public Communications Policy. The purpose of the public communications policy is to assist Overeaters Anonymous to continue to grow the Fellowship and to carry its message to the compulsive eater who still suffers.

We fulfill our primary purpose most effectively by attraction and cooperation—not promotion or affiliation.

Overeaters Anonymous is attracting when it tells people why we are, what we are, what we do, and how; we let them know that we are available if and when help is needed. We state the facts, which are communicated via all available forms of public media, always stressing personal anonymity at the public level. Overeaters Anonymous is cooperating when it works with others, rather than alone. Working with
others broadens our scope and contacts, and we reach more of those in need.

Overeaters Anonymous and registered service bodies may purchase ads or send press releases and public service announcements, including those in relation to special events and promotions, in all forms of public media, provided personal anonymity is maintained for members of Overeaters Anonymous (contact names on media communication can include any special worker associated with public communications, as well as the first names of individual members).

For more information on the implementation of this policy, see Overeaters Anonymous board-approved guidelines.

World Service Business Conference Policy 2008b

It was adopted to:
Create an Overeaters Anonymous media policy.

To raise public awareness, Overeaters Anonymous and associated service bodies may send press releases to or make use of special events/promotions in newspapers, magazines, television, radio, websites, billboards, and other means of public media, providing personal anonymity is maintained for members of Overeaters Anonymous. Contact names on media communication can include any special worker associated with public awareness as well as the first names of individual Overeaters Anonymous members.

World Service Business Conference Policy 2008c

It was adopted to:
Create an Overeaters Anonymous public relations policy.

If Overeaters Anonymous is to continue to exist, it must continue to grow in order to fulfill its primary purpose of carrying its message to the compulsive eater who still suffers and to reach those who are not yet aware of the existence of our Fellowship.

We fulfill this primary purpose most effectively by attraction and cooperation—not promotion or affiliation. For the guidance of our Fellowship, here are definitions of those terms:

To Attract: To draw by other than physical influence; to invite; to draw to; to encourage approach

To Promote: To push forward; to further advance, as in a business venture (implies “hard sell,” advancement for profit)

Cooperation: Joint operation or action (implies coming together of two or more people to work together for a common goal or benefit or on a common problem)
Affiliation: Association or close connection; a uniting (implies lending one’s name, endorsement, legal, or financial partnership)

Overeaters Anonymous is attracting when it tells people why we are, what we are, what we do, and how; we let them know that we are available if and when help is needed. We state the facts, which are communicated via the press, radio, TV, internet, and films, always stressing personal anonymity at the public level.

Overeaters Anonymous is cooperating when it works with others*, rather than alone. Working with others broadens our scope and contacts and we reach more of those in need. Hiring outside contractors or service companies is not considered an affiliation.

*Examples could include, but are not limited to, hospitals, doctors, nurses, clergymen, treatment centers, educators, dieticians, nutritionists, employee assistance programs, and health spas.

World Service Business Conference Policy 2008d

It was adopted to:
Create an Overeaters Anonymous public service announcements policy.

Chair’s Report

As I finish up my second year as chair of our World Service Board of Trustees, I look back with gratitude. Sure, there have been challenges, but how would I grow if I did not have challenges? My commitment to recovery and to our OA program has been strengthened immeasurably. One of my favorite mantras has been “Life begins at the end of your comfort zone.” Yes, I was comfortable in my recovery. But I found that service as a trustee, and then as chair of the board, has brought a new dimension to my life, getting me out of my comfort zone. All good!

Please take the time to read through the reports in your binder. The regions, the Conference committees, and the board committees have all had a busy year. You will find that there are many ongoing committee projects (I am enthusiastic about the two new literature pieces you will be voting on this year! I hope you are too), as well as special projects being addressed by ad hoc board committees (Have you found the particularly pertinent information on “Zoom bombing” on oa.org?).

After a year or two of relatively straightforward budgets, this year we had to make some difficult decisions to decrease our expenses. The cost to publish our literature has increased dramatically, with paper and printing costs rising due to supply chain issues. Shipping costs have gone through the roof, especially internationally. These costs are not expected to decrease, unfortunately. We also had to increase the registration fee for WSBC, realizing that the former registration fees were nowhere close to covering the costs of our Business Conference. Even with the increase, we are subsidizing a large percentage of WSBC costs.

I was excited to attend (virtually, with Sarah Armstrong, our managing director) the now-annual “Day of Sharing,” an occasion when the leaders of Twelve Step groups gather to share information about our common issues. This year there were at least a dozen other twelve step groups in attendance. Topics this year included attracting and engaging new and current members, and developing and inspiring leaders, staff, and volunteers. We found that most groups have been encountering problems dealing with literature and shipping costs (especially internationally). It was energizing to make these connections.

Our Board of Trustees is set up to have seventeen trustees. At the current time, we have thirteen. While trustees serve on multiple board committees, as well as WSBC committees, their committee workload has necessarily increased because of the unfilled positions. There will still be vacancies over the coming year, even if all current candidates are elected. So, there will be chances for appointment—hint, hint!

Have you considered taking the necessary steps to qualify for the Board of Trustees? We are always looking for new trustees, especially those with diverse backgrounds. Qualifications include: seven years in the Fellowship, five years of service beyond the meeting level, attendance of at least two WSBCs, five years of continuous abstinence, and maintenance of a healthy body weight for at least two years (see oa.org for more details). Please seriously consider this. Frankly, I’ve found this service, while rigorous at times, to be an immense opportunity for me, strengthening all aspects of my program. If you are interested, there will be two chances during lunchtime to chat with current trustees about the skills and time needed, and the benefits of service at this level.

We are adjusting to working within the new board structure adopted last year. We no longer have region trustees and general service trustees. In the past, regions would nominate a trustee who would serve as region trustee. In 2022, liaisons to the regions were named immediately after WSBC. The Executive Committee (which addresses the operational and administrative decisions of our organization) was comprised of the former general service trustee positions. Now, all trustee nominees must come from the
regions. Regions are thus encouraged to nominate more than one person, if possible—even those from another region. Your region bylaws may need to be amended to accommodate these changes.

I want also to thank the trustees I have had the privilege to work with during my five years on the board. (One more to go!) Their energy and enthusiasm in giving service at this level is contagious. They really care about our Fellowship and bring valuable talents to the table. Just when I think I can’t ask trustee X to take on one more thing, they volunteer for it. What a team! Finally, I can’t say enough about the World Service Office staff we are privileged to work with. It’s a small staff, led by our knowledgeable and competent Managing Director, Sarah Armstrong. Her management team is excellent and runs an efficient and effective office. I can’t imagine how our Fellowship could function as well as it does without each and every one of them. Life is good when I have these wonderful trustees and staff to work with!

Yours in service,

Judy H.
Chair, Board of Trustees
March 2023
Treasurer’s Report

Thank you everyone for your ongoing contributions—both financial and with action. Your money and actions fulfill our Twelfth Step—carrying the message and all that it takes to make that happen. Here are some dynamic and magical events that happened in 2022.

Region Treasurers
A region treasurer reached out to me last year and asked if all the region treasurers and the Region Nine banker could get together and share ideas and offer guidance on questions. What a brilliant idea! So, we did. We have met several times and wow—what energy and sharing. We’ve talked about taxes, best practices, contribution tracking, managing the shift from checks to online contributions, getting to know each other, and nonprofit statuses. This powerful and energetic group of fellows put a zing in my service role. Who doesn’t want to interact with dedicated and passionate fellows working on what’s best for our service bodies in financial responsibility and accountability? Yes, money can be fun.

Contributions
We all contribute to ourselves. Money went to where I was in my recovery—the lack of or the active act of recovery. I recently looked at what I spent on a binge in the past when in the sea of wild eating. This daily event took a couple of hours each day to hunt and gather my loot. In the 1960s, at age six, I was a thief, scraping coins from my dad’s dresser (yes, I’ve made appropriate amends to him). When I became a teen, I graduated to coolness and smoking. Then, I added diet drinks to the mix to keep my weight down as the consumption and cost continued to increase.

Now I look at what my contribution level matches. Am I stuck in the 1960s, or do I meet today’s costs?

There are two main revenue streams for OA: contributions and literature sales. For 2022, contributions were US$970,001, literature was US$461,456, and digital and audiobooks were US$142,842. Thank you for supporting your recovery and the World Service Office and for providing funds to carrying our message.

We have two general buckets in which our contributions are categorized. One is the general fund, and the other is restricted funds.

- **General Fund:** Contributions are used to fund items such as public information, oa.org and Find a Meeting, translations, literature, video advertisements, staffing, equipment, and administrative needs.
- **Restricted Funds:** Once a contribution is entered into one of these funds, it is used for that specific purpose only. The current balance as of the writing of this report is as follows.
  - Translation Assistance: US$34,520.10
  - Professional Exhibits: US$10,724.34
  - Delegate Support Fund: US$35,911.84
Board Designated Funds: These funds are for projects and events for which the board has set aside additional funds, such as creating a new Public Service Announcement (in process as of the writing of this report) and WSO equipment and facilities. Monies in these funds are not restricted and may be moved into general contributions when a project is completed.

Automatic Recurring Contributions (ARC): Give it a thought if you haven’t already. This is a “set and forget” contribution method. When you get paid, you can pay your recovery forward in this form. Join the 500+ members who are already doing it. The US$11,000+ in recurring contributions makes budgeting easier for all involved.

Audit
For 2022, Porch & Associates, LLC, certified public accountants and consultants, conducted our audit.

Budget
The budget is reviewed by the Executive Committee of the Board of Trustees every October. This is a line-by-line accounting of what has occurred in the past and expectations for the future. For Fiscal Year 2023, the approved budget came to US$1,876,850. Budget comparisons and details for Fiscal Year 2022 and Fiscal Year 2023 can be found in Appendix D.

For our staff needs, we were able to update three computers. The new phones purchased in early 2022 have proven to be a great update. Money is continually budgeted in savings for ongoing office needs.

There is no new financial information in relation to the 2025 Convention.

In 2022, we continued to offer more online literature. Literature costs were increased to meet the vigorous rising costs of paper and to standardize the pricing structure of pamphlets, books, and workbooks.

In Closing
I am blessed to have held the position as treasurer for two years. I will rotate off as is stated in our bylaws. I smile with joy at all I’ve learned about what it takes to make OA run financially and at having become better acquainted with our dedicated staff. I am humbled to work with such intelligent, focused, and earnest people. We are in such good hands.

Thank you, Sarah Armstrong, for your financial and managerial leadership!

Respectfully submitted,
Meg M.
Treasurer, Board of Trustees
February 2023 (Updated July 2023)
2022 can be best described as a slow return to business as usual. However, lessons learned since March 2020 will forever alter how business is done. We found that staff like working from home, so we have altered our phone system so our members can contact us during work hours, no matter where we may be at work.

Contributions from the Fellowship did not meet our all-time high reached in 2021. However, as the world continues its path towards a new normal, the return of local PIPO events means more dollars may be used locally with fewer dollars to send forward to the WSO. No matter where our contribution dollars are spent, we are all working towards our primary purpose of carrying our message to the compulsive overeater who still suffers. When donating online, please be sure to use the comment box to let us know your group number and service body affiliation.

You can set up a regular recurring contribution at https://oa.org/contribute/. Approximately 500 individuals take advantage of this convenient method of making regular donations to world service. Contributions made through oa.org/contribute are much quicker to process through our accounting software, as they are automatically uploaded into the system and receipts are automatically generated.

We ended 2022 with an unaudited net loss of US$251,532.52. This pretty well balances our net gain in 2021. There are two main reasons for the loss: there was a penalty of US$101,168 resulting from cancelling our contract with the hotel for our planned face-to-face WSBC 2022, and there was a loss on our investments of US$185,024.02. These are both unusual items and do not indicate any long-term financial concerns for Overeaters Anonymous, World Service. At the time of this writing, the annual audit of our financials is not complete, so the number may change before the books are closed for the year. The audit will be completed by the time of WSBC 2023, at which time an update to this figure will be available.

Find a Meeting
In 2022, the Find a Meeting page on oa.org was updated to include time zone improvements, multi-language search expansions, language and special-focus service board participation form options, language and special-focus service board search functionality improvements, intergroup and national service board affiliation functionality improvements, and internal backend upgrades.

Groups and Service Bodies
In 2022, the number of OA meetings worldwide, including virtual meetings, averaged 6,467 in over seventy-five countries, with 339 service bodies (including region offices). Below is a five-year average.

Literature Pricing and Availability
Effective January 1 this year, OA increased the prices of our print and digital literature. Shipping prices also increased. The increases are necessary to respond to the higher costs for goods and services that OA, like much of the world, is experiencing. For prices, see the 2023 Literature Catalog and Order Form in the Document Library at oa.org.

OA literature is available in multiple formats: print, PDF download, audiobook, e-book, and print-on-demand. No literature is available in all formats. Some formats, such as e-workbooks and e-books, do not have a shipping cost.
To purchase OA literature, go to bookstore.oa.org. Product pages include links to third-party vendors authorized to sell our literature: Audible, Amazon, Barnes & Noble, and Apple Books. OA receives a royalty share for purchases made from these vendors.

**Audiobooks**

OA distributes two audiobooks via Audible, Amazon, and Apple Books:
- *Overeaters Anonymous, Third Edition*
- *The Twelve Steps and Twelve Traditions of Overeaters Anonymous, Second Edition*

**E-books**

OA distributes e-books via Amazon (Kindle), Barnes & Noble (Nook), and Apple Books. All OA books, except workbooks, are available as e-books. Our four e-workbooks are available as downloadable PDFs from the OA bookstore.

Nine OA pamphlets are now available as e-books. Two e-pamphlets were released in 2022:
- *To the Man Who Wants to Stop Compulsive Overeating, Welcome*
- *The Twelve Concepts of OA Service*

As new and revised OA pamphlets are developed, publishing them in e-book format is considered.

**Print on Demand**

OA distributes three books in print solely via Amazon’s print-on-demand format (Paperback):
- *A New Beginning: Stories of Recovery from Relapse*
- *OA Twelve and Twelve, Second Edition, Large Print*
- *Lifeline Sampler*

**Periodicals**

The *WSO News Bulletin* continues to be a useful way for members to receive monthly OA news, and sign-ups continue to grow. At the close of 2022, the e-newsletter had 12,450 subscribers, a 31 percent increase over December 2021. The average trackable open rate for the *Bulletin* in 2022 was 25.8 percent, and the average click rate was 3.4 percent. (The respective averages for health and fitness organizations are 21.5 percent and 2.7 percent.) To subscribe to the *Bulletin*, go to oa.org and look for “Let’s keep in touch.”

*A Step Ahead* newsletter was published quarterly in 2022 and first quarter 2023. As of April this year, *A Step Ahead* is no longer published as a downloadable PDF and has been merged with the existing News & Events blog at oa.org/news-events. The *Professional Community Courier* newsletter, Issue II is available in the Document Library at oa.org. This is the second edition of four evergreen *Couriers* posted on a rotating basis.

**Trademarks**

OA holds four trademarks in trust for the Fellowship as a whole:
- *OA®*
- *Overeaters Anonymous®*
Registered OA groups and service bodies may apply for written permission to use an OA trademark. The group’s registration number or service body’s name must be printed directly beneath the OA trademark to distinguish material from that originating from OA, Inc. It is important that the registration mark ® is shown next to our trademarks. For guidelines and written permission to use an OA-owned trademark, see the Logo Request form in the Document Library at oa.org.

**Copyrights**
OA holds the copyrights for our literature and resources in trust for the Fellowship as a whole.
- Registered OA groups and service bodies may reproduce and/or translate and reproduce print material currently on oa.org without written permission.
- Registered OA groups and service bodies that meet via videoconference may screen share OA-owned literature during the meeting without written permission.
- Registered OA groups and service bodies that meet via other digital means, such as by mobile messaging app, social media, website, or blog, must apply for written permission to share OA-owned literature and material not available on oa.org.

For more information, see the Board of Trustee’s letter Sharing OA-Copyright Material Electronically, dated February 26, 2022, at oa.org. For written permission to share OA-owned literature, see the Reprint Request form in the Document Library at oa.org.

**International Publications/Translations**
OA literature has been translated or is in the process of being translated into more than thirty languages.

More than forty digital documents of translated OA literature have been added to the WSO archives since WSBC 2022, with the greatest number of contributions being in the French (Canadian), Italian, Persian, Portuguese, Russian, and Spanish languages. For a list of translations in the WSO archives, see *Guidelines for Translation of OA Literature and Materials* in the Document Library at oa.org.

OA’s newest pieces of literature, including *The Twelve Traditions Workbook of Overeaters Anonymous* and revised *Fifteen Questions for the Young Person*, are available to be translated.

*Voices of Recovery, Second Edition* has been updated with OA’s currently available literature and current policies. To OA groups that may have already translated the first edition and plan to translate the new second edition, contact the WSO and request a copy of the edited manuscript showing the changes. This may save your group time in translating.

OA groups that have translated the first edition of *The Twelve Steps and Twelve Traditions of Overeaters Anonymous* and who wish to translate the second edition should also contact the WSO and request a copy of the edited manuscript showing the changes.
The OA pamphlet *Where Do I Start?* has been translated into nineteen languages: Arabic, Bahasa Indonesian, Chinese, Finnish, French (Canadian), Hebrew, Italian, Japanese, Korean, Latvian, Mongolian, Norwegian, Persian, Portuguese (Brazil), Romanian, Serbian, Spanish, UK English, and Zulu. These translations are of the original *Where Do I Start?* pamphlet, © 2018, and have not been revised with the updated sample plans of eating in *A New Plan of Eating* or with material taken from other updated OA pamphlets. Translations of *Where Do I Start?* can be downloaded from the Document Library at oa.org.

OA has more than US$85,600 to support groups in translating OA literature, and the International Publications and Translations Committee is actively seeking opportunities to support OA groups in translating OA literature. These funds are also available for the translation of OA material, such as OA, Inc. Bylaws, Subpart A and Subpart B and the Business Conference Policy Manual. In 2022, the committee granted more than US$11,300 to four national service boards for the translation of OA literature and materials.

The International Publications and Translations Committee now reviews applications for funds monthly. The monthly application deadline is the last day of the month, and applications are considered the following month. To apply for funds to translate, verify, and/or distribute OA literature and materials, see the Translation Assistance Fund application in the Document Library at oa.org.

Included in OA’s License 2 agreement that groups and service bodies sign is a requirement that they send 10 percent royalties of their net income from the sale of the licensed work. In 2022, OA received US$2,616.64 in royalties from seven service bodies: Moscow IG (#09643), IG Mexico City (#09329), Israel NSB (#09960), Italian NSB (#09965), First Hungarian IG (#09628), Junta NSB de España (#09967), and OA Great Britain NSB (#09961). If your group or service body translates and sells OA literature, remember to send royalties to the WSO annually.

For more information about how to translate OA literature and materials, apply for translation funds, or send a royalty payment, contact your region trustee liaison or the WSO.

**OA Websites**

OA.org saw an average of 59,000 visitors per month last year, including monthly averages of 10,000 visitors taking the OA Quiz (our Fifteen Questions), 40,000 visitors using Find a Meeting, and 11,000 downloads from our Document Library. In July 2022, the website saw a remarkable 35 percent increase in traffic that has persisted ever since. This significant jump is the result of improvements to our public awareness efforts, specifically data-driven revisions to our ongoing search engine advertising campaigns.

2022 also marked two notable returns to the website: Event Calendar and *Lifeline*, which now has its own site at lifeline.oa.org. Event Calendar and *Lifeline* are accessible from the oa.org home page. Both offer program-strengthening opportunities to OA members and demonstrate to newcomers the attractiveness and vibrancy of our Fellowship.

As a result of a WSBC 2022 motion, our newcomer pamphlet, *Where Do I Start?*, was made available as a free PDF download in twenty languages, and we are now seeing about 1,100 downloads per month.

Our Find a Meeting database accounts for 75 percent of all activity on oa.org, and with all the essential details about OA’s more than 6,300 registered meetings, the database is one of OA’s most valuable assets. Find a Meeting would not be functional without customized programming using the PHP programming language. Since PHP receives periodic updates for security and stability, OA must perform periodic upgrades and then customize those upgrades for Find a Meeting. In January 2023, we performed a major version upgrade of PHP to keep Find a Meeting safely compliant for the next few years. Our ability to “just
go ahead and fix it” and to make other website infrastructure upgrades is a direct result of our strong Seventh Tradition. Thank you for your contributions.

**Social Media**
In 2022, OA’s Facebook page grew by 8.7 percent to 15,850 followers. In the same period, our Instagram page grew by 27.6 percent to 5,375 followers.

The World Service Office staff of fifteen remains always ready to assist the Fellowship of Overeaters Anonymous.

With gratitude,
Sarah Armstrong

Bylaws Committee Report

Twenty-seven delegates participated in Bylaws and Reference at World Service Business Conference (WSBC) 2023. After introductions were made, a brainstorming session was held to determine the subcommittee work to be done over the next year. Of the ideas suggested, the top four priorities were determined, and members chose their subcommittees.

The top four priorities for the coming year are:
- Virtual Meetings – Documents and Seventh Tradition: Update supporting documents to include virtual meetings (along with land-based) and explore whether there is a need to address Seventh Tradition in virtual meetings.
- Bylaws Accessibility: Improve accessibility to specific parts of the bylaws to be more searchable.
- Pre-WSBC Motion Feedback: Review ways to gather member feedback on motions to be discussed at WSBC prior to attending.
- Interpretation: Research if we need an interpretation process for WSBC to be documented.

2023-2024 elections were held.
- Delegate Cochair: Arthur G.
- Vice Chair: Susan S.
- Secretary: Amy D.

The subcommittees were formed, and the chairs, vice chairs, and secretaries were selected.
- Virtual Inclusion: Sharlotte G. (chair)
- Bylaws Accessibility: Diane D (chair)
- Everyone Has a Voice: Chuck F. (chair), Cyndy L. (vice chair), Mary T. (secretary)
- Interpretation: Amy D. (chair), Sue S. (vice chair), Terri M. (secretary)

Each subcommittee will set their own schedule and how they will communicate. Deadlines for reports have been set and a timeline for completed projects was established.

Reference Subcommittee
The Reference Subcommittee was comprised of twenty-one members representing ten of the eleven regions, including Bob L., trustee cochair, who led the sessions and Cyndy L., delegate cochair, who served as the secretary. The Reference Subcommittee met for eight different sessions over three days of the Conference.

The Reference Subcommittee considered seven New Business Motions and four Bylaw Amendments. Proposals A, E, F, and I received three amendments from the floor and were referred to Reference, while New Business Motions C, T, and U and Bylaw Amendments 1, 11, 12, and 15 were considered after the Bylaws cochairs consulted with the board chair. The Reference Subcommittee voted to make recommendations back to the Conference floor for all these agenda items.

Emergency New Business
The Reference Subcommittee considered three items that were submitted at Conference to determine whether the proposed motion qualifies as Emergency New Business. The subcommittee determined that none of the three motions qualified as Emergency New Business.
Beverly M. was appointed the trustee cochair of the Bylaws Committee for 2023-2024. The committee looks forward to a productive year of work together.

In service,

Conference-Approved Literature Committee Report

Committee Officers 2022-2023
- Delegate Cochair: Elizabeth S.
- Trustee Cochair: Neva S.
- Vice Chair: Don C.
- Secretary: Christina D.

Meeting Discussion
Two Conference-Approved Literature Committee (CLC) projects from the previous year went to the Conference this year. Since discussion was lively at the Literature Q&A, the committee was anxiously awaiting the outcome. There was discussion about whether the process should be sent back to the committee.

Committee procedures, including the steps to be taken in getting a manuscript to the CLC and lines of communication within the CLC were outlined. It was made clear to the delegates that hard work is the expected norm of the CLC, and that this is what it takes to get a manuscript through all the procedural steps by the time of the 2024 Conference.

Decisions Made
Election of delegate cochair, vice chair, and secretary were held. Three subcommittees were formed. The Twelve Traditions Workshop and Study Guide is an ongoing project. The subcommittee is made up of new and returning delegate members. Subcommittees were also formed for the revision of the To The Man Who Wants to Stop Compulsive Overeating, Welcome pamphlet, and for a newly proposed project, Mental Health, Medication, and Recovery.

Subcommittee Goals and Actions
- Combo #6 (Handbook/Small Meetings): This is currently with the publications department for review and editing. It is tentatively scheduled to return to CLC for review and comments by September 2023.
- Twelve Traditions Workshop and Study Guide: This multi-year project is entering its second year with hope that they will complete the manuscript to present at Conference 2024.
- To the Man Who Wants to Stop Compulsive Overeating, Welcome: This pamphlet is being referred to CLC for revision. The subcommittee has put out a call for stories. They foresee project completion for Conference 2025.
- Mental Health and Recovery: This is a new project. This subcommittee will put out a call for stories as well as research current OA literature including Lifeline for relevant material. Further planning awaits board approval of this project.

Post-Conference Addendum
The mental health and recovery project was also approved post-Conference by the Board of Trustees and will go forward with their work.

Sponsorship in OA: Guiding Others into Recovery was defeated at Conference. Delegate comments were gathered and the OA Board of Trustees voted to approve the continuation of this project. A subcommittee was being formed as this report was being filed.

The Public Information/Professional Outreach (PIPO) Committee convened at Conference 2023. During our meeting, the following items were discussed:

1) Creation of three subcommittees
   a) Lifeline/Social Media
   b) PIPO Document Audit
   c) Medical Professionals/Military

2) Discussion of subcommittee goals
   a) **Lifeline/Social Media**: Improve *Lifeline* process flow from submission through posting, identifying opportunities for volunteers to add value; develop a social media plan and build out two channels including regular posting of content, adherence to Traditions and integration with the Virtual Welcome Room; promote OA content both within the Fellowship and outside of OA through ads and/or search engine optimization (SEO); and coordinate Google grant dollars (Google Ad Words) to avoid bidding on the same criteria and increasing our own prices.
   b) **PIPO Document Audit**: Review twenty-seven documents on oa.org from oldest to newest and ensure appropriate wording and relevance; when *PIPO Manual* is available for sale, compare the twenty-seven documents to ensure compliance with the manual; for each document, decide whether to recommend to full committee to keep, modify, or remove document from oa.org website.
   c) **Medical Professionals/Military**: Determine how to affix QR code to *Public Information Poster Packet* (#759); update *Public Information Poster Packet* (#759) for future use after February 2024; review current pamphlet *When Should I Refer Someone to Overeaters Anonymous?: To Members of the Helping Professions* (#770); create committee letter that can be sent to the military; and evaluate military pamphlet (recently discontinued) and decide how best to move forward.

3) Determination of future meetings: We will meet monthly for up to one hour via a videoconferencing platform on the fourth Wednesday of the month at 2:30 p.m. eastern. Subcommittees will meet separately.

The 2023-2024 PIPO Committee is grateful for the service and mentorship of Trustee Cochair Meg M. The PIPO Committee is also grateful for the service of previous Trustee Cochair Sandra M. and for each member of the 2022-2023 PIPO Committee. Unity with Diversity Committee Report

The 2023 World Service Business Conference Unity with Diversity Committee met on April 26, 2023, at Conference, chose a secretary, and reviewed the committee’s statement of purpose and the Unity with Diversity Policy Statement. We reviewed the work from the four subcommittees and then brainstormed ideas for 2023 committee work. We winnowed those ideas down and agreed upon three general topics for subcommittee work. The subcommittees met separately, and then reported their goals and actions plans to the whole committee.

The Strength with Diversity Subcommittee met April 26, elected officers, and came up with three goals. Robbie T. and Renee D. will serve as delegate cochairs. Chia W. is the subcommittee secretary. Their first goal is to improve committee communications by reaching out to service bodies about unity with diversity and encouraging groups to share the specific-focus statement letter. Another goal is to prepare workshops to enhance understanding of diversity issues by generating a list of issues to explore and creating a shared document for collecting tough questions and other ideas with the long-term goal of bringing the voices of discouraged members to the region service structure. Their last goal is to re-envision and redefine Unity Day by reviewing what’s written and done about Unity Day and researching the possibility of either redefining it or adding a Unity with Diversity Day. Their first meeting will be May 3, 2023.

The Diversity Action Subcommittee elected Zoe I. and Monica S. to serve as cochairs on April 26, 2023. Narvette K. and Suhki L. will serve as co-secretaries. The subcommittee reviewed the action items suggested by the committee to determine their focus and goals. They developed short- and long-term goals, and recognized barriers to achieving diversity. Their goals are to increase the number of meetings in diverse communities and to help non-English speakers, and they developed the following action items to reach those goals. They will determine resources for onboarding with available technology. They will determine potential locations for new in-person and hybrid meetings. The members will engage in outreach within their own diverse communities, and they will sponsor/coach/mentor groups within service bodies to start new meetings. They will seek funding for outreach efforts, once they’re defined, and will collaborate with the Public Information and Professional Outreach Committee to meet these goals. Their first meeting will be May 21, 2023.

The Specific Focus Task Force Subcommittee met on April 26, 2023, and elected officers, determined short- and long-term goals, an action plan, a regular meeting time to accommodate time zones, and their next meeting will be June 10. Amodini K. and Rick K. were elected as cochairs. Dana M. is the subcommittee vice chair and Lara P. is the secretary. Their goal is to get a detailed understanding of the Welcome Quiz, the Specific Focus Statement, and the Unite with Diversity trifold pamphlet to take the next steps for each. The first action item is to review and study the three pieces. The next action item is to disseminate the Specific Focus Statement by including it in the trifold pamphlet. Once the Welcome Quiz is approved, they will define the next steps for its dissemination. A long-term goal is to update the trifold pamphlet to empower specific-focus groups to ensure that everyone who wants to stop eating compulsively feels safe and included globally. Their first meeting will be June 10, 2023.

The trustee cochair for 2023 is Gary D., trustee liaison assigned to the Virtual Region. The delegate cochairs are Amodini K. and Monica S., and the secretary is Rachel C.

Young People’s Committee Report

Thematically, the Young People’s (YP) Committee of the World Service Business Conference (WSBC) is specifically focused towards surviving a demographic of OA members encompassing the disciplines that are usually separated into Twelfth Step Within and Public Information/Professional Outreach Committees or could be considered encapsulated by the Unity with Diversity Committee. The mission statement of the Young People’s Committee is intentionally worded to try to tease out a specific niche, and minimize the potential of the duplication of efforts between these WSBC committees, but it can be hard to truly isolate committee goals and tasks, gather the resources and support to accomplish them, and make these tasks timely so that a product is delivered at the end of a service year that is of substance that its committee members can feel good about.

During my time being a delegate on the WSBC YP Committee, this potential for a massive scope and service to a specific demographic that is not adequately represented within the committee gives extra obstacles to deciding committee action items. This leads to a decline of motivation throughout the year and being dissatisfied at the end for only partially completing the project. Statistically, very few delegates serving on the committee select young people as their first pick, making working on the purpose of the committee difficult as well.

For committee discussion and delegate check-in, one simple question was asked, “What did you need to recover from compulsive eating when you were in the age range of 18 to 30 years old?” Heartfelt discussions ensued and topics included not knowing how to carry the message of recovery to friends or a family members, fellowship support during some of the largest transitional portions of an individual’s life, fears of OA as an organization aging out, and program support to get through the Steps and how to give back with service. Topics organically centered around three main subcommittees: YP Member Support (Twelfth Step Within), YP Public Information and Professional Outreach, and YP Information Central (maintenance of the YP page on oa.org).

The YP Member Support Subcommittee has two main goals: encouraging OA service bodies to host YP-focused workshops and events and collating and creating YP-focused resources located on oa.org or elsewhere as locally produced literature.

The YP PIPO Subcommittee has two main goals: developing resources to help answer the question “How do I help my young adult recover from eating compulsively?” and reaching out to compulsive eaters outside of OA through virtual and physical venues to carry the message of OA recovery.

The YP Information Central is focused on a singular goal: updating the oa.org YP page to house information for young people in OA, both to enrich their personal recovery and also equip them to be able hold positions of service in OA.

These subcommittee’s will work closely with committees of the Board of Trustees (Website Review Committee), World Service Office staff (Digital Communications Manager), and WSBC committees (Twelfth Step Within, Public Information/Professional Outreach, and even Bylaws). As we move forward in this service year, we will hone these goals into workable and timely projects, so that something of substance and pride can be accomplished by WSBC 2024.

Encouraging Service Workshop Summary

**Leaders**
- Neill M., Region Eight
- Vicki W., Region Three

**Discussion Questions**
1) What is service beyond the national service board, region, and World Service level like, and how hard is it to get started?
2) What is the greatest hindrance for you in giving service beyond the national service board, region, and World Service level?
3) How do the Concepts encourage your recovery and your service work in OA?

**Purpose**
To encourage service in OA at the national service board, region, and World Service levels.

**Topics**
- Enthusiasm is contagious! Share excitement and positive experiences of region and Conference service at meetings, meetings after the meetings, retreats, and conventions.
- Invite people to intergroup, region assemblies (my sponsor invited me to my first region assembly, after that I was hooked!).
- Strong meetings tend to produce people who want to give service; regular group and intergroup inventories can identify areas of improvement.
- If meetings focus on working the Steps, follow the Traditions, and focus on recovery, people are more likely to want or need to give service.
- Consider hosting a region convention. Show people how amazing they can be!
- Avoid pleas and repeated “begging” for people to give service. Consider asking specific people about filling certain open positions. They may say no, but they may also offer an alternative that they are willing to perform.
- Don’t rush in and save the day! Let go!
- Encourage your sponsees to attend intergroup or to consider a service position.
Q&A on the Concepts Workshop Summary

Leaders
- Barbara B., Region Six
- Tonna B., Region Three

Discussion Questions
1) How often do you discuss the Concepts in your service bodies?
2) Have you ever considered that the Steps, Traditions, and Concepts are part of a spiritual umbrella under which we recover?
3) What materials help service bodies to support discussion and use of the Concepts of OA Service?

Purpose
To answer questions delegates may have about the Concepts and present a new set of presentation slides that can be used as a single workshop or single discussions.

There were about thirty delegates in attendance, and they actively participated in the discussion and helped with reading of the material.

Most delegates reported that their intergroups discuss a concept at the intergroup meetings each month and some had done Concept workshops. Many delegates expressed gratitude for the presentation slides that they can take back to their intergroup and they liked the tying together of the Step, Tradition, and Concept.
Service: The Heart of Recovery Forum Summary

LEADERS
- Region Chairs

The Forum moderator, Susan M., Region 10 chair, welcomed sixty-seven fellows, introduced the region chairs in attendance and reviewed the purpose and agenda for the Forum. The three goals were:

1) Engage members to do more or different service.
2) Convey what a member will gain by stepping up to a different type of service.
3) Strengthen the OA Fellowship so OA will be here for the next still-suffering compulsive overeater who comes to us.

The three opening skits were fabulously received and a perfect beginning to re-energize the members after a long day of Conference business.

In skit 1, the audience enjoyed the laughter and quick wit of Rob, the Money Maker and Claire, aka Madam Street Walker, as they demonstrated their eagerness to be great treasurers. They certainly accented that all we need is willingness to serve. And they did their level best to ensure that our new goal is to not use those abbreviations. The voters struggled to choose just one and the best recommendation was to vote them both as co-treasurers to help them with their competitive character defects.

Skit 2 was a short conversation of a region chair attempting to encourage a newer member to consider the secretary service position. While the fellow was less than enthusiastic about doing "secretary," she seemed to have her eye on the chair’s position. A little more investigation seemed to indicate a fear of not doing the job correctly. Of course, when the chair shared that service allows growth like a garden, and opportunities for travel and making many friends was presented, the fellow with some concern, agreed to run for secretary. Unfortunately, the voting was 50/50 for this candidate, as her fears appeared to be more like character defects. This skit provided identification for our fellows that we are all capable of serving, despite our fears and thoughts of not “wanting” a specific position.

Skit 3 was a conversation between three fellows discussing openings on the Board of Trustees. They had a great time with the various thoughts that might enter our minds when considering service at any level. There was a great discussion about the benefits of service. Each fellow expressed how the others would do so well as a trustee. One fellow expressed how they loved to travel and being a trustee would allow for lots of travel and even the potential of having OA sponsor a hot air balloon ride. Thankfully the newly elected treasurer, Money Maker, arrived on scene followed by the new chair, Madam Street Walker, to provide some comedic discussion about this balloon ride. The voting after Skit 3 went great, as all were declared trustee-ready, and voted unanimously.

The participants broke into groups of roughly nine people; seven groups in all to answer the following questions. The region chairs circulated the room to ensure the groups were on the right path.

Question 1: What did you learn during the skits? Did you relate to more than one of the skits? Why?

Question 2: How has service helped you overcome a character defect? Tell the group about any skills or benefits you developed through this service? How do you share your service recovery?

Question 3: Have you taken a service position you weren’t prepared for spiritually, emotionally, or physically? What did you learn? How did it enhance your recovery?
At 8:45 p.m., we re-gathered into the larger group to hear the reports from each of the groups. Each group had wonderful shares, clearly identifying that service is such an asset for our recovery and that it is not necessary to wait until we are equipped, but rather we are equipped when we step up to service. Each of the goals of the forum were articulated in the various group shares.

On Saturday at the banquet, the region chairs provided a bookmark with reminders of the various ways that we can encourage others into service.

- Some like to be asked. Go face-to-face and explain the qualities that person will bring to the service. Some of us are blind to our own talents.
- Some are unaware how much they need to do service. Keep an open mind when asking members to do service.
- Attend different meetings to meet potential service candidates.
- Listen for how they share. Look at how they do service already—reading, chair a meeting, come early and stay late to talk, service the group in some way.
- Long-term members may need service to catapult their recovery.
- Tell your service story. How your service strengthened OA as a whole.
- Willingness is the key. OA is a safe place to learn.
- Describe your own fears in service and how you overcame being scared.

The Region Chairs Committee is grateful for the opportunity to share the Forum with the 2023 Conference and we thank you for your wonderful ideas and examples of using the Concepts to encourage others to do service.
The Spirit of Service Workshop Summary

Leaders
• Adele A., Region Nine
• Cyndy L., Region Four

Discussion Questions
1) How has studying and practicing the Concepts enhanced your spiritual life?
2) How has service supported the removal of character defects?
3) How have the Concepts and service led to greater gratitude?

Purpose
To spread the spirit of service and show how the Concepts support that spirit by growing humility, working on shortcomings, and trusting the process.

The workshop format was personal sharing by the two leaders followed by open sharing from the delegates.

The first leader shared their service experience at the intergroup level, using the Principles of the Concepts as the connecting theme. They stressed that the concepts apply at every level of service, not just the world service level.

The second leader focused on how the Concepts detailed the rules for teamwork and how feeling part of a team influenced their personal recovery.

There was good participation from the delegates.

Young People’s Committee, establishing, 2010d
**INTRODUCTION**
It is noted that all motions appearing in this summary were adopted by the group conscience of the World Service Business Conference of Overeaters Anonymous. Furthermore, until changed, these motions set self-imposed limits on the Fellowship. According to the Bylaws of Overeaters Anonymous, Inc., Subpart B, Article VIII, Section 1a) which states:

“...The Conference shall serve as the collective conscience of the Fellowship of Overeaters Anonymous as a whole…”

**CONTINUING EFFECT MOTIONS**

1977b  It was adopted to:
Adopt a responsibility pledge: Always to extend the hand and heart of OA to all who share my compulsion; for this I am responsible.

1978  Amended 2023. It was adopted that:
Service bodies may obtain permission to translate and/or publish or republish OA literature, including translated literature, through the established licensing process. Published translated literature shall conform to existing OA-approved literature.

1979c  Amended 1989. It was adopted that:
The treasurer’s report be prepared and sent out to delegates prior to the Business Conference to allow each person time to study, assimilate, and prepare any questions they might have for the Board of Trustees.

1979d  Rescinded 2015.

To ensure personal anonymity be maintained, the online version of the Final World Service Business Conference Report will only include first names and last initials in minutes and reports. The contact section of the report, which includes names, phone numbers, and email addresses of delegates will be emailed to all service bodies and delegates following Conference. “For Use Within OA Only” will appear at the top of this list.

1980b  Amended 2013. An anonymity statement was adopted:
Anonymity is the spiritual foundation of our program, always ensuring principles before personalities. This means that OA itself is not anonymous, but its members are. There are no exceptions. While OA may be publicized, we do not break our individual anonymity at the level of press, radio, films, television, and all public media of communication; and the recognizable facial exposure of persons identifying as OA members at the level of press, films, television, and all public media of communication is a violation of our tradition of anonymity, even though the first name only is given or the entire name is withheld.
1980c Amended 2002 and 2013. It was adopted that:
All OA events sponsored by registered OA groups and service bodies referenced in Bylaws,
Subpart B, provided they uphold the Twelve Traditions, be placed in the World Service Office
calendar upon request of the sponsoring body.

1980d It was adopted that:
A Conference committee member can petition the Board of Trustees to consider by a two-thirds
vote of the Board of Trustees to remove a nonfunctioning chairman of a specific Conference
committee. The vice chairman will then assume the chairmanship.

1982c Amended 1989, 2018, and 2023. Group (meeting) definitions of Overeaters Anonymous are as
follows:

Meeting with Visitors (Open): Open to everyone. All meetings are considered open to visitors
unless otherwise indicated.

Meeting without Visitors (Closed): Open to those who desire to stop eating compulsively. (This
includes newcomers, OA members, and others who think they have a problem with food.)

Specific-Focus Meeting: Designed for individuals who may feel they can more readily identify
with fellow members of Overeaters Anonymous with similar attributes. For a full list, see the oa.org
Find a Meeting page. All OA members are welcome at these meetings.

Specific-Topic Meeting: Designed for a specific subject matter or format. For a full list, see the
oa.org Find a Meeting page. All OA members are welcome at these meetings.

1982e It was adopted that:
Through announcements in Lifeline and A Step Ahead the Fellowship be invited to attend and
observe the Board of Trustees’ meetings held prior to the annual Business Conference and
Convention. The board is to make available sufficient facilities to accommodate all who choose to
attend.

1982f Rescinded 2012.

1983 Amended 1989. After a presentation/discussion on requirements other than the Twelve Steps, the
following statement was adopted:
Overeaters Anonymous respects the autonomy of each OA group. We do suggest, however, that
any OA group which imposes a special purpose, task, or guideline should inform its members that
this special purpose, task, or guideline does not represent OA as a whole. The only requirement for
membership is the desire to stop eating compulsively. Anyone who says they are a member is a
member. We of Overeaters Anonymous welcome all members with open arms.
1984a Amended 1990, 2013 and 2015. Upon the recommendation of the Literature Committee, a preamble for Overeaters Anonymous was adopted to read:
Overeaters Anonymous is a Fellowship of individuals who, through shared experience, strength, and hope, are recovering from compulsive overeating. We welcome everyone who wants to stop eating compulsively. There are no dues or fees for members; we are self-supporting through our own contributions, neither soliciting nor accepting outside donations. OA is not affiliated with any public or private organization, political movement, ideology, or religious doctrine; we take no position on outside issues. Our primary purpose is to abstain from compulsive eating and compulsive food behaviors and to carry the message of recovery through the Twelve Steps of OA to those who still suffer.

1984b Amended 1993 and 2001. It was adopted that:
The World Service Convention will be held at a time and place to be determined by the Board of Trustees.

1984c It was adopted that:
Business Conference committees not raise or maintain funds.

1984d Amended 2013 and 2014. The following procedure for Business Conference presentations/discussions was adopted:
1) Items for presentations/discussions at the annual Business Conference are selected by the board from those recommended by the Conference Planning Committee. Selections for topics are made from recurring problems, topics of major interest, and topics requested by the Fellowship.
2) Service bodies who propose presentation/discussion topics will be sent a letter stating how topics are chosen and that their recommendation has been referred to the Conference Planning Committee for consideration.

1984e Amended 2014. After a presentation/discussion, a statement on the sale of merchandise was adopted:
It is the will of the Business Conference that sale of merchandise, per se, is not prohibited by the Traditions. With regard to sale of merchandise, “Each group should be autonomous except in matters affecting other groups or OA as a whole.” If you choose to sell merchandise, the following guidelines are suggested:
1) All sales be made by and for OA service bodies.
2) Each sale item be approved by group conscience.
3) Sales at OA events and functions should be conducted in such a manner so as not to divert or distract from our primary purpose to carry the message to the compulsive overeater who still suffers.

In accordance with our Traditions, each group and OA service body may choose to sell or not sell merchandise as they determine. Overeaters Anonymous must be ever mindful of our Traditions, which warn against endorsement of outside enterprise.

1985 Amended 1993 and 2017. Upon the recommendation of the Literature Committee, the following revised procedure for granting the Conference Seal of Approval was adopted:
The Conference-approved seal that appears on the back of our literature means that the material has broad application to the Fellowship as a whole and is intended primarily to distinguish OA literature, not to censor other literature.
The Board of Trustees oversees the production of literature at the world service level. The Conference Seal of Approval shall be granted to OA literature upon receiving a two-thirds vote from the delegates present and voting at the annual World Service Business Conference.

All refining will be processed by the Conference-Approved Literature Committee, Board-Approved Literature Committee, and the Board of Trustees, according to their procedures, prior to recommending any literature for approval of the delegates.

Prior to the Business Conference, pamphlets and books that are recommended for the Conference Seal of Approval will be posted online as downloadable files. At the Business Conference, delegates will vote either to approve or reject, rather than to edit or refine the material.

1986a Superseded by 2019c.

1986b It was adopted that:
The annual World Service Business Conference Delegate Binders include a copy of the current fiscal year budget as adopted by the Board of Trustees.

1987c It was adopted that:
All policies adopted by the Business Conference shall be placed in a document entitled Business Conference Policy Manual which shall be distributed to world service delegates as part of pre-Conference delegate materials and also updated and included in all final World Service Business Conference reports.

2) Business Conference Delegates
   a) In addition to the requirements set out in Article VIII, Section 3c) of the Bylaws, Subpart B, it is suggested the delegates should be selected for judgment, experience, stability, willingness, and for faithful adherence to living within the concepts of the Twelve Steps, Twelve Traditions, and Twelve Concepts of Overeaters Anonymous. It is further suggested a world service delegate be a current or past regional representative.
   b) As participants, delegates shall not be bound by the wishes of their service bodies, but should not vote against these wishes unless situations arise at the Business Conference that make it necessary for the best interests of Overeaters Anonymous as a whole.

Spiritual, emotional, and physical recovery is the result of living and working the Overeaters Anonymous Twelve Step program on a daily basis.

1988c Superseded by 2005c.

1989a It was adopted that:

In order to reaffirm the special relationship between OA and O-Anon and in keeping with the spirit of Tradition Ten—cooperation without affiliation—the following be adopted:

Overeaters Anonymous, Inc. recognizes the special relationship we enjoy with O-Anon groups, a separate but similar fellowship. OA wishes to recognize the contribution O-Anon has made and is making to friends and families of compulsive overeaters.

It is the desire of the Conference to affirm the relationship between OA and O-Anon, and it is also the desire of the Conference to acknowledge OA’s appreciation for O-Anon groups.

1990 Amended 2011 and 2014. It was adopted that:

The World Service Business Conference of Overeaters Anonymous suggests that individual groups and service bodies refrain from publishing the names or non-OA titles of speakers/leaders at OA functions in any informational materials (flyers, newsletters, etc.). The Conference delegate cochair will preside over the committee meetings at World Service Business Conference and throughout the following year. The trustee cochair will act as liaison between the committee and the Board of Trustees and will report to the Board of Trustees regarding committee activities.

4) Committee members not responding to two consecutive mailings of the committee which require answers will not receive future mailings unless the member has notified one of the cochairs of a reason for a temporary absence from committee work.

5) The committee meetings at World Service Business Conference will be open; however, only committee members will have a voice and vote.

6) Delegates should be registered by March 1 and have submitted a committee preference form by April 1. Committee assignment is made on a first come, first served basis except the Conference-Approved Literature Committee and the Reference Subcommittee (OA, Inc.
Bylaws, Subpart B, Article IX, Sections 1 and 2). Delegates will be notified of their committee assignment at or prior to World Service Business Conference. Service on a committee is expected and the commitment is maintained until the following World Service Business Conference. 1991c Amended 2018. It was adopted that:

1992a Amended 2013, 2021, and 2023. The following policy statement was adopted:

“Unity with Diversity” Policy
THE FELLOWSHIP of Overeaters Anonymous encourages and promotes acceptance and inclusivity. All are welcome to join OA and are not excluded because of race, creed, nationality, religion, gender identity, sexual orientation, or any other attribute. We welcome all who share our compulsion. Everyone with the desire to stop eating compulsively is welcome in Overeaters Anonymous.

THE FELLOWSHIP recognizes the existence of individual approaches and different structured concepts to working our Twelve Step program of recovery; that the Fellowship is united by our disease and our common purpose; and that individual differences in approaches to recovery within our Fellowship need not divide us.

THE FELLOWSHIP respects the rights of members, groups, and service bodies to follow a particular concept of recovery within Overeaters Anonymous and encourages each member, group, and service body to respect those rights as they extend the hand of fellowship to those who still suffer.

THE FELLOWSHIP encourages each duly registered group and service body to affirm and maintain the Twelve Traditions of Overeaters Anonymous by allowing members to share their experience, strength, and hope in meetings regardless of the individual approach or specific concept that member may follow. Duly registered is defined as being in full compliance with Bylaws, Subpart B, Article V.

1993b  Amended 2010. It was adopted that:
It is the group conscience of the 1993 World Service Business Conference that the sale or display

described in World Service Business Conference Policy 2010a) is an implied endorsement of
outside enterprises, and therefore in violation with Tradition Six.

The World Service Office shall contact all service bodies annually requesting contributions for the
Delegate Support Fund to help delegates to attend World Service Business Conferences. Delegates
selected to receive funding will be those from intergroups and service boards demonstrating need.
Priority will be given to those intergroups and service boards that have not previously sent delegates
to Conference.

1994a  (updated 2013 due to amended 1984a) The following policy statement was adopted:
Our primary purpose in Overeaters Anonymous is to abstain from compulsive eating and to carry
the message of recovery through the Twelve Steps of OA to those who still suffer. Other addictions
and problems may have contributed to the intensity of our disease; however, OA is not directly
concerned with recovery from these issues. They should be shared in OA meetings only as they
relate to compulsive eating. It is in our best interest to concentrate on our primary purpose and not
be distracted by focusing on issues such as alcoholism, codependency, abuse, or the treatment
thereof. These and similar outside issues should be addressed in other programs or with
professionals.

1994b  Amended 2008 and 2023. It was adopted that:
Overeaters Anonymous recognizes the existence of specific-focus meetings comprised of persons
with similar attributes. For a list of these meetings, see the oa.org Find a Meeting page.

According to the Traditions, bylaws, and policies of OA, the only requirement for membership is
a desire to stop eating compulsively. Therefore, we ask each person attending a meeting to respect
and consider the group conscience of the whole Fellowship and welcome and give a voice to any
person who has a desire to stop eating compulsively.

The following policy statement was adopted:

**Public Communications Policy**
It is proposed that Overeaters Anonymous adopt a Public Communications Policy. The purpose of the public communications policy is to assist Overeaters Anonymous to continue to grow the Fellowship and to carry its message to the compulsive eater who still suffers.

We fulfill our primary purpose most effectively by attraction and cooperation—not promotion or affiliation.

Overeaters Anonymous is attracting when it tells people why we are, what we are, what we do, and how; we let them know that we are available if and when help is needed. We state the facts, which are communicated via all available forms of public media, always stressing personal anonymity at the public level. Overeaters Anonymous is cooperating when it works with others, rather than alone. Working with others broadens our scope and contacts, and we reach more of those in need.

Overeaters Anonymous and registered service bodies may purchase ads or send press releases and public service announcements, including those in relation to special events and promotions, in all forms of public media, provided personal anonymity is maintained for members of Overeaters Anonymous (contact names on media communication can include any special worker associated with public communications, as well as the first names of individual members).

For more information on the implementation of this policy, see Overeaters Anonymous board-approved guidelines.
Note: The World Service Office shall oversee that the Business Conference minutes are researched annually in order to update this summary with any Business Conference motions which have a continuing effect. This includes new, revised, or rescinded motions adopted by the World Service Business Conference.

**END**
At OA’s first Business Conference, then called the National Conference, it was adopted that: We endorse as our only basic creed the only thing that OA in general subscribes to (from headquarters), the Twelve Steps and the Twelve Traditions. That this is the only basic program that OA (headquarters) believes as its creed. We acknowledge that these two things are the only creed that OA subscribes to, basically. (Rescinded 2014)

1977a It was adopted that: The price be put back on the literature. (Rescinded 2001)

(Rescinded 1989)

1980a Amended 1989. It was adopted that: The purpose of each proposed amendment to the World Service bylaws be clearly verbalized by the proposing body. (Rescinded 2016)

1982a After a presentation/discussion on whether OA should produce literature on anorexia nervosa or other eating disorders, the following statement was adopted: Overeaters Anonymous does not have any literature for specific eating disorders other than compulsive overeating. We welcome in love and fellowship all who have the desire to stop eating compulsively. (Rescinded 1999)

1982b After a presentation/discussion on using an OA/AA-approved literature list which includes the 1976 Business Conference Statement on OA/AA-approved literature, the following was adopted that: The current World Service Business Conference policy on literature be a list (to be updated as necessary) which includes the amended 1976 Statement on OA-/AA-approved literature: “In accordance with our Traditions, we suggest OA groups maintain unity and protect our Traditions by selling only program books and pamphlets at their meetings. This would include AA Conference-approved literature and OA Conference- and board-approved literature. Intergroup- or group-prepared local literature should be used with the greatest discretion. Even then, we suggest that you submit it to the World Service Office for their information. This type of local literature should be considered temporary and discontinued when OA literature approved for general use is available to cover the topic.” (The complete list which includes this statement, literature, and explanations is available from the World Service Office.) (Rescinded 2010)

1987a  Amended 1997. A policy statement on food plans was adopted:
The OA 1997 World Service Business Conference, after careful consideration, believes that although many individual OA members choose to follow a plan of eating for their personal plan of recovery, offering food plans at OA meetings is a violation of Tradition Ten. While each OA member is free to choose a personal plan of eating to achieve abstinence, OA as a whole can not print, endorse, or distribute food plan information to members.

Nutrition is a most controversial outside issue; the hiring of professionals to produce food plans for use at meetings also violates the Eighth Tradition, as we need always remain nonprofessional. Groups endorsing any food plans by distributing them at their meetings affect OA as a whole. We ask all groups, intergroups, and regions of OA to adhere to the above policy statement and discontinue the use of food plan information at meetings. We ought best concern ourselves with our suggested program of recovery—the Twelve Steps. *(Rescinded 2000)*

1987b  It was adopted that:

Create an Overeaters Anonymous public relations policy.

If Overeaters Anonymous is to continue to exist, it must continue to grow in order to fulfill its primary purpose of carrying its message to the compulsive eater who still suffers and to reach those who are not yet aware of the existence of our Fellowship.

We fulfill this primary purpose most effectively by attraction and cooperation—not promotion or affiliation. For the guidance of our Fellowship, here are definitions of those terms:

To Attract: To draw by other than physical influence; to invite; to draw to; to encourage approach

To Promote: To push forward; to further advance, as in a business venture (implies “hard sell,” advancement for profit)

Cooperation: Joint operation or action (implies coming together of two or more people to work together for a common goal or benefit or on a common problem)

Affiliation: Association or close connection; a uniting (implies lending one’s name, endorsement, legal, or financial partnership)

Overeaters Anonymous is attracting when it tells people why we are, what we are, what we do, and how; we let them know that we are available if and when help is needed. We state the facts, which are communicated via the press, radio, TV, internet, and films, always stressing personal anonymity at the public level.

Overeaters Anonymous is cooperating when it works with others*, rather than alone. Working with others broadens our scope and contacts and we reach more of those in need. Hiring outside contractors or service companies is not considered an affiliation.

The Board of Trustees may declare vacant the office of a trustee who has been declared of unsound mind by a final order of court or convicted of a felony or been found by a final order or judgment of any court to have breached any duty under Section 53-8-25.1 or any other relevant provision of the New Mexico Nonprofit Corporation Act.

Section 8 – Vacancies
Vacancies on the Board of Trustees may be filled by a majority vote of the trustees then in office in accordance with Article VII, Section 7 of Subpart B of these bylaws, whether or not less than a quorum, or by a sole remaining trustee, and each trustee elected in this manner shall hold office until the conclusion of the next annual Conference or until their earlier resignation or removal or their office has been declared vacant in the manner provided by these bylaws. Section 9 – Waiver of Notice or Consent
The transactions of any meeting of the Board of Trustees however called and noticed or wherever held, shall be as valid as though it had at a meeting duly held after regular call and notice, if a quorum is present and if, either before or after the meeting, each of the trustees not present or who, though present, has prior to the meeting or at its commencement, protested the lack of proper notice, signs a written waiver of notice, or a consent to holding the meeting, or an approval of the minutes of the meeting. All such waivers, consents, and approvals shall be filed with the corporate records or made a part of the minutes of the meetings. A notice or waiver of notice need not specify the purpose of any regular or special meeting of the Board of Trustees.

ARTICLE I – TWELVE STEPS
The Twelve Steps suggested for recovery in the Fellowship of Overeaters Anonymous are as follows:
1) We admitted we were powerless over food—that our lives had become unmanageable.
2) Came to believe that a Power greater than ourselves could restore us to sanity.
3) Made a decision to turn our will and our lives over to the care of God as we understood Him.
4) Made a searching and fearless moral inventory of ourselves.
5) Admitted to God, to ourselves and to another human being the exact nature of our wrongs.
6) Were entirely ready to have God remove all these defects of character.
7) Humbly asked Him to remove our shortcomings.
8) Made a list of all persons we had harmed, and became willing to make amends to them all.
9) Made direct amends to such people wherever possible, except when to do so would injure them or others.
10) Continued to take personal inventory and when we were wrong, promptly admitted it.
11) Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12) Having had a spiritual awakening as the result of these Steps, we tried to carry this message to compulsive overeaters and to practice these principles in all our affairs.

ARTICLE II – TWELVE TRADDICTIONS
The Twelve Traditions of Overeaters Anonymous are:
1) Our common welfare should come first; personal recovery depends upon OA unity.
2) For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3) The only requirement for OA membership is a desire to stop eating compulsively.
4) Each group should be autonomous except in matters affecting other groups or OA as a whole.
5) Each group has but one primary purpose—to carry its message to the compulsive overeater who still suffers.
6) An OA group ought never endorse, finance or lend the OA name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.
7) Every OA group ought to be fully self-supporting, declining outside contributions.
8) Overeaters Anonymous should remain forever non-professional, but our service centers may employ special workers.
9) OA, as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
10) Overeaters Anonymous has no opinion on outside issues; hence, the OA name ought never be drawn into public controversy.
11) Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, films, television and other public media of communication.
12) Anonymity is the spiritual foundation of all these Traditions, ever reminding us to place principles before personalities.

ARTICLE III – TWELVE CONCEPTS
The Twelve Concepts of OA Service are:
1) The ultimate responsibility and authority for OA world services reside in the collective conscience of our whole Fellowship.
2) The OA groups have delegated to World Service Business Conference the active maintenance of our world services; thus, World Service Business Conference is the voice, authority and effective conscience of OA as a whole.

3) The right of decision, based on trust, makes effective leadership possible.

4) The right of participation ensures equality of opportunity for all in the decision-making process.

5) Individuals have the right of appeal and petition in order to ensure that their opinions and personal grievances will be carefully considered.

6) The World Service Business Conference has entrusted the Board of Trustees with the primary responsibility for the administration of Overeaters Anonymous.

7) The Board of Trustees has legal rights and responsibilities accorded to them by OA Bylaws, Subpart A; the rights and responsibilities of the World Service Business Conference are accorded to it by Tradition and by OA Bylaws, Subpart B.

8) The Board of Trustees has delegated to its Executive Committee the responsibility to administer the OA World Service Office.

9) Able, trusted servants, together with sound and appropriate methods of choosing them, are indispensable for effective functioning at all service levels.

10) Service responsibility is balanced by carefully defined service authority; therefore, duplication of efforts is avoided.

11) Trustee administration of the World Service Office should always be assisted by the best standing committees, executives, staffs and consultants.

12) The spiritual foundation for OA service ensures that:
   a) no OA committee or service body shall ever become the seat of perilous wealth or power;
   b) sufficient operating funds, plus an ample reserve, shall be OA’s prudent financial principle;
   c) no OA member shall ever be placed in a position of unqualified authority;
   d) all important decisions shall be reached by discussion, vote and whenever possible, by substantial unanimity;
   e) no service action shall ever be personally punitive or an incitement to public controversy; and
   f) no OA service committee or service board shall ever perform any acts of government, and each shall always remain democratic in thought and action.

Regions may affirm the nominations in a manner determined by the region. Copies of these resumes shall be supplied to the delegates by the opening of Conference.
c) If the regions are unable to provide applicant(s), then Article VII, Section 7 applies.
d) A vacancy created by action of the Conference delegates shall be filled as stated in Section 7.

ARTICLE VIII – MEETINGS OF DELEGATES

Section 1 – World Service Business Conference
a) Annual Meeting
   The Corporation shall sponsor an annual meeting of the delegates of the members, which shall be known as the World Service Business Conference (hereafter may be referred to as the “Conference”). The Conference shall serve as the collective conscience of the Fellowship of Overeaters Anonymous as a whole.
b) Time and Location
   The Conference shall be held during the month of May or on such dates as the Board of Trustees may determine. The Conference shall be held in the Albuquerque, New Mexico area or at such place as the Board of Trustees may designate.
c) Emergency
   In the event of an emergency, as determined by the Board of Trustees, the board may call the Conference, or any part of it, by virtual methods(s).

Section 2 – Special Meetings
Special meetings of the delegates for any purpose or purposes may be called at any time by the chair of the board or by a majority of the trustees.

Section 3 – Delegates
The delegates to the World Service Business Conference shall be as follows:
a) Voting delegates shall consist of the following persons chosen in accordance with OA, Inc. Bylaws, Subpart B, Article VI, Section 4c) or Article VIII, Section 3c)1:
   1) Delegates from intergroups.
   2) Delegates from service boards chosen from groups, intergroups, and countries not otherwise represented.
   3) Delegates from countries not having any geographically based service board.
   4) Each language or specific focus service board is entitled to have one qualified delegate only, regardless of the number of groups or service bodies (at least two meetings) that compose the language or specific-focus service board.
   5) Each region shall be entitled to one vote through its duly elected chair or alternate.
   6) A region that was represented at the last World Service Business Conference by fewer than 40 percent of its intergroups and other eligible service bodies may send up to five additional delegates from the region. When selecting these delegates, the region shall give preference to delegates from intergroups and service bodies which would not otherwise be represented.
   7) Trustees.
b) Nondelegates who may address the World Service Business Conference shall consist of officers of the Corporation or any parent or subsidiary of the Corporation who are not also trustees, the Conference
parliamentarian, trustee nominees, the managing director, the managerial staff of the World Service Office, and interpreters for individual non-English speaking delegates and those with other special needs.

c) Qualifications/Selection

1) Qualifications for selection of World Service delegates/alternates shall be set by each intergroup, region (in the case of region delegates), or service board provided that each delegate/alternate shall have at least one year of current abstinence and at least two years of service beyond the group level. (Permission for any exception in qualifications for valid reasons, if deemed credible by the trustees, may be received by application to the World Service Office.)

2) Each intergroup or national service board shall be entitled to have one qualified delegate for up to the first fifteen groups it represents and one for each additional fifteen groups or any fraction thereof, as per the January Service Body Information Report from the World Service Office, except that the national service board shall not represent the same groups as intergroups represent.

3) Countries without intergroups or national service boards that seek representation at the annual Conference shall have at least one delegate. Larger representation shall be determined by the Board of Trustees, with the delegate approval in accordance with the number of groups in that country.

4) Each language or specific focus service board is entitled to have one qualified delegate only, regardless of the number of groups or service bodies (at least two meetings) that compose the language or specific-focus service board.

5) Delegates and alternates should be selected at least seventy days before the annual Conference, and the names forwarded immediately upon selection to the World Service Office of Overeaters Anonymous.

6) If a region, intergroup, or service board does not select its delegate(s) and alternate(s) or fails to inform the World Service Office of Overeaters Anonymous before the annual meeting, such delegate(s) and alternate(s) may appear at the Conference with evidence of their due selection deemed credible by the trustees, and such delegate(s) shall be seated.

Section 4 – Notice

Notice of the regular annual Conference and all special meetings of delegates shall be given to each registered service body, unless otherwise instructed by each individual service body, by prepaid mail and/or electronic transmission. Notices shall be deemed to have been given if sent by mail and/or electronic transmission to the delegates representing each service body. Such notice shall be sent no less than sixty days before each meeting, and shall specify the place, day, and hour of the meeting and shall state the general nature of the business to be considered at such meeting. The notice of the annual Conference shall designate it as such.

Section 5 – Voting

No delegate shall have more than one vote. Votes may be taken by notice, by show of hands, by ballot, or as called for by the presiding officer of any meeting, provided that the delegates may prescribe the method of voting desired on any question without regard to the method called for by the presiding officer.

Section 6 – Presiding Officer

All meetings of delegates shall be presided over by the chair of the Board of Trustees. In the absence of the chair, the first vice chair shall preside over the meetings of the delegates.

Section 7 – Parliamentary Authority

All meetings of the delegates shall be conducted in accordance with the latest edition of Robert’s Rules of Order, Newly Revised, where not in conflict with the law, Articles of Incorporation, these Bylaws, or special rules that delegates may adopt.
Section 8 – Business Agenda

a) The chair shall provide that the agenda for the annual Conference includes written reports of the treasurer, managing director, board, and Conference committee chairs.

b) Notwithstanding any action of the chair or mandate of Section 7 above, questions of policy shall take precedence over proposed Bylaw Amendments at all Conference meetings, except for such Bylaw Amendments as may be required to conform with or be mandated by any action of State or Federal statute, code, or law. The agenda of the Conference shall specifically provide for consideration of policy questions before consideration of Bylaw Amendments.

c) New business to be placed on the agenda prior to Conference shall follow the same procedure for submission as for Bylaw Amendments and shall be approved by 50 percent of all intergroups and service boards responding to an Agenda Questionnaire by sixty days prior to the Conference. Other new business of an urgent nature must receive a majority vote of the Reference Subcommittee in order to be brought to the Conference floor.

ARTICLE IX – CONFERENCE COMMITTEES
The delegates may submit their preference for Conference committees in accordance with this Article IX. Committees shall include but not be limited to the following:

Section 1 – Conference-Approved Literature Committee
a) The Conference-Approved Literature Committee shall be composed of twelve or more delegates selected by the cochairs of the Conference-Approved Literature Committee from among delegates at the Conference, to obtain good geographic representation, strong abstinence, and a willingness to serve.

b) The cochairs may appoint outgoing delegates to serve an extra year on the committee in an advisory capacity.

Section 2 – Bylaws Committee
The Bylaws Committee shall be composed of one or two delegates from each region, selected either at regional assembly or by a method practical to the region. In addition, other delegates attending the World Service Business Conference may choose to serve on the Bylaws Committee.

a) The Reference Subcommittee shall be composed of the Bylaws Committee delegate chair and representative of the Board of Trustees who shall be the cochairs; and the representatives selected from each region to serve on the Bylaws Committee.

b) The Reference Subcommittee shall meet at times designated on the Conference schedule or agenda, and other times as required by the Conference. The Reference Subcommittee will meet on the day prior to the conclusion of scheduled new business to consider emergency new business.

c) Names of the Bylaws Committee members selected by the regions shall be sent to the World Service Office forty-five days prior to the Conference.

d) The Reference Subcommittee shall further operate according to guidelines developed by the Bylaws Committee and approved by the Board of Trustees.

Section 3 – Region Chairs Committee
a) The Region Chairs Committee shall act as a channel of communication between the Board of Trustees and the members of the Fellowship in their respective regions, for the purpose of sharing resources and solutions.

b) The Region Chairs Committee shall be composed of the current region chairs only. A region chair may designate an alternate, such as the region vice chair, to serve on the committee in their absence.

c) Section 5 of Article IX does not apply to this committee.

Section 4 – Other Conference Committees as may be needed and established by the Board of Trustees or the World Service Business Conference
**Section 5 – Disbanding Conference Committees**

a) A Conference committee established by the Board of Trustees may be disbanded by the Board of Trustees if it is found not to have been working or meeting outside of the World Service Business Conference for more than one year.

b) A Conference committee established by an act of the World Service Business Conference may only be suspended by an act of the World Service Business Conference.

c) If such a committee is found not to have been working or meeting outside of the World Service Business Conference for more than one year, a motion to disband the committee shall be placed on the agenda of the next World Service Business Conference by the Board of Trustees for consideration at that World Service Business Conference.

**Section 6 – Conference Committee Chair**

a) Election. A Conference cochair and a vice chair for each Conference committee shall be elected annually by a majority of the delegates present at the annual Conference committee meetings. The Conference cochair shall be a delegate and shall not serve more than two consecutive one-year terms. The vice chair shall assume all responsibilities in the absence of the Conference cochair.

b) Responsibilities. One year’s active service with the committee members and chairing the Conference committee meetings at the next annual World Service Business Conference if re-elected as a delegate.

c) Vacancies. If, for any reason, the Conference committee cochair is unable to fulfill the position and there is no vice chair, the chair of the Board of Trustees, in consultation with the trustee cochair responsible for liaison between the Conference committee and the board, shall appoint a delegate from the committee to serve as Conference cochair.

d) A vacancy shall be presumed if the Conference committee cochair fails to communicate with the committee for three consecutive months.

**ARTICLE X – FINANCES**

**Section 1 – Procedure**

a) Full and complete disclosure of all World Service official financial matters is a prime guidance and objective for all accounting procedures and financial statements.

b) Any delegate or trustee is entitled to examine the accounting records of the World Service Office, and any question concerning the finances of the World Service Office is completely proper and is to be answered promptly.

c) Accounting procedures shall be geared to periodic reporting, and financial controls shall be established for credibility of the financial statements.

d) Statements shall be clear and easy to understand to prevent confusion and misinterpretations.

**ARTICLE XI – CORPORATION ASSETS**

No delegate to the Conference or member of any local group which is a member of Overeaters Anonymous, and no trustee, officer, or employee or member of a committee or person connected with the Corporation, or any other private individual shall receive at any time any earnings or pecuniary profit from the operations of the Corporation; provided that this shall not prevent payment to any such person of reasonable compensation for services rendered to or for the Corporation in effecting any of its purposes as shall be fixed by the Board of Trustees; and no such person or persons shall be entitled to share in the distribution of any of the assets upon the dissolution of the Corporation.

All delegates to the Conference and all members of local groups which are members of Overeaters Anonymous shall be deemed to have expressly consented and agreed that, upon such dissolution or winding up of the affairs of the Corporation, whether voluntary or involuntary, the assets of the Corporation then remaining in the hands of the Board of Trustees, after all debts have been paid, shall be delivered and paid over in such amounts as the Board of Trustees may determine or as may be determined by a court of competent jurisdiction upon application of the Board of Trustees, exclusively to charitable, religious,
scientific, literary, or educational organizations which would then qualify under the provisions of Section 501(c)(3) of the Internal Revenue Code and its regulations as they now exist or as they may hereafter be amended.

**ARTICLE XII – BYLAW AMENDMENTS**

**Section 1 – Procedure**

Subpart B of these Bylaws may be amended as follows:

a) Amendments to Subpart B of these Bylaws may be proposed by any registered service body, trustee, the Region Chairs Committee, or the Conference Bylaws Committee and shall be submitted to the chair of the Board of Trustees, postmarked or be date and time stamped through electronic transmission by December 1 before the annual meeting of the Conference. The Board of Trustees may also submit amendments to the Bylaws.

b) For the purpose of amendments, the English version of official documents is considered the version of record, and all amendments will be made to the version of record.

c) The chair of the board shall cause a copy of the proposed amendments to be communicated to each delegate whose name appears in the office of the secretary of the Corporation and to each registered service body and trustee by January 5 prior to the annual Conference.

d) In order for an amendment proposed to be submitted to the World Service Business Conference, these proposals will need to be approved by 50 percent of all intergroups and service boards responding. The Agenda Questionnaire must be returned to the World Service Office by sixty days prior to the Conference.

e) Except as otherwise specified by these Bylaws, proposed amendments to Subpart B may be adopted by a two-thirds vote of the delegates present and voting, provided a quorum is present.

f) Amendments to Article I (Twelve Steps) and Article II (Twelve Traditions) of Subpart B of these Bylaws may only be adopted if, in addition to d) above, they are ratified by three-fourths of the registered Overeaters Anonymous groups responding within six months of notification, provided at least 55 percent of the registered groups have responded.

g) The parliamentarian may suggest editorial changes which do not alter the meaning of any bylaws but clarify the wording or bring the Bylaws and Articles of Incorporation into conformity.

h) Amendments to Subpart B of these Bylaws shall be effective at the close of the Conference except as otherwise specified.

Opinion
We have audited the accompanying financial statements of Overeaters Anonymous, Inc. (OA) (a not-for-profit corporation) which comprise the statements of financial position as of December 31, 2022 and 2021, and the related statements of activities, cash flows, and functional expenses for the years then ended and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Overeaters Anonymous, Inc. as of December 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of OA and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about OA’s ability to continue as a going concern for one year after the date that the financial statements are issued.
Board of Directors and Management  
Overeaters Anonymous, Inc.  
Rio Rancho, New Mexico

**Auditor’s Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of OA’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about OA’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

NOTE 1. ORGANIZATION

Overeaters Anonymous, Inc. (OA) was formed as a California not-for-profit corporation on May 16, 1969. The Internal Revenue Service issued a ruling stating that OA qualifies as a public charity and is exempt from federal income tax under Section 501(c)(3). In November 2007, OA filed Articles of Merger with the New Mexico Corporation Commission. The Articles merged the California Corporation into a newly formed New Mexico not-for-profit Corporation. The California Corporation was dissolved and, in June 2008, OA filed Restated Articles of Incorporation, becoming a New Mexico not-for-profit corporation.

The specific and primary purpose of OA is to aid those with the problem of compulsive overeating to overcome that problem through a 12-Step program of recovery.

The OA program is carried out primarily through local groups in which recovering compulsive overeaters share their experience, strength, and hope. OA is defined by the organization’s charter as the Board of Trustees, the World Service Office, and the annual meeting of delegates at the World Service Business Conference. OA administers the World Service Office as the international headquarters of Overeaters Anonymous and provides services to local groups and regional service bodies through three major activities: maintaining an international directory so that inquirers can be referred to meetings, publishing literature that augments the help provided by the local groups, and publishing two periodicals, one of which is distributed as free literature to members. OA is supported primarily by voluntary contributions from members and from sales of literature. OA charges no dues or fees.

The accompanying financial statements do not include the operations of the local groups or service bodies, which are autonomous.

Programs and Services. During the year ended December 31, 2022 and 2021, OA incurred program and service expenses in the following major categories:

**Literature Production and Distribution** - This service provides information about the programs of recovery from compulsive overeating and suggestions for implementing the 12 Steps and 12 Traditions of OA, and suggested guidelines for group activities.

**Digital Content** - This service now covers what was once Magazine Production and Distribution and provides a forum for sharing experiences about the OA recovery program and current information about OA and its activities. This service is responsible for OA’s overall online presence, through its various websites and on social media.
NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Group Support and Referral Services - This service provides activities, including the annual World Service Business Conference, directed toward growth and successful functioning of groups in accordance with the 12 Traditions of OA.

This summary of significant accounting policies of OA is presented to assist in the understanding of OA’s financial statements. The financial statements and notes are the representations of OA’s management who is responsible for their integrity and objectivity.

Allowance for Uncollectible Accounts. Accounts receivable are stated at unpaid balances, less an allowance for doubtful accounts. Management feels that accounts receivable is fully collectible and, accordingly, no allowance for uncollectible accounts is considered necessary. OA had accounts receivable in the amount of $2,354 and $0 at December 31, 2022 and 2021, respectively.

Basis of Presentation. OA’s financial statements are presented in accordance with the Financial Accounting Standards Board Accounting Standards Codification (ASC) 958-205, Not-for-Profit Entities, Presenting Financial Statements. Under ASC 958-205, OA is required to report information regarding its financial position and activities according to two classes of net assets; net assets without donor restrictions and net assets with donor restrictions.

Basis of Accounting. The financial statements of OA are prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities.

Cash Flow Information. OA considers all cash, money market, and short-term investments with an original maturity of three months or less to be cash equivalents.

Concentrations of Risk. OA maintains cash and cash equivalents with financial institutions. At times, such amounts may exceed FDIC limits. OA limits the amount of credit exposure with any one financial institution and believes that no significant credit risk exists with respect to cash. OA’s cash balances were in excess of FDIC insurance by $315,407 and $568,153 at December 31, 2022 and 2021, respectively. OA has not experienced any losses on uninsured balances and does not believe this is a significant risk.
NOTE 2.  SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue and Revenue Recognition.  OA follows ASC Topic 606, Revenue from Contracts with Customers, which requires the recognition of revenue when promised goods or services are transferred by OA in an amount that reflects the consideration to which OA expects to be entitled to in exchange for the goods or services.

Contributions.  All contributions are considered to be available for unrestricted use unless specifically restricted by the donor.  Amounts received that are designated for future periods or restricted by the donor for specific purpose are reported as net assets with donor restrictions.  However, if a restriction is fulfilled in the same time period in which the contribution is received, OA reports the support as without donor restrictions.

Donated Goods and Services.  Generally accepted accounting principles requires that professional service hours (attorney, accountants, doctors, etc.) be recorded in the financial statements, but not volunteer hours.  Volunteers and board members have donated significant amounts of their time in OA’s programs.  The value of these hours is not recorded in the financial statements.  There was no in-kind expense or revenue for the years ending December 31, 2022 or 2021.

Functional Expense Allocation.  The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities.  The statements of functional expenses present the natural classification detail of expenses by function.  Accordingly, certain costs have been allocated among the programs and supporting services benefited.  Costs are allocated on the basis of time and effort.

Income Taxes.  OA is organized as a New Mexico nonprofit corporation and has been recognized by the IRS as exempt from federal income taxes under IRC Section 501(a).  The IRS determined that OA, under IRC Section 501(c)(3), qualifies for the charitable contribution deduction under IRC Sections 170(b)(1)(A)(vi) and (viii), and has been determined not to be a private foundation.  OA is required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS.  OA’s open audit periods are 2020 through 2022.

OA evaluates uncertain tax positions in accordance with ASC 740 whereby the effect of the uncertainties in tax positions would be recorded if the outcome was considered probable and reasonably estimable.  OA believes that it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements.
NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

**Intangible Assets.** Under ASC 350-30-25, Intangibles - Goodwill and Other, costs of internally developing, maintaining, or restoring intangible assets that are not specifically identifiable, that have indeterminate lives, or that are inherent in a continuing business or nonprofit activity and related to an entity as a whole, shall be recognized as an expense when incurred. Because costs of renewing and maintaining trademarks and foreign registrations have specifically identifiable costs with determinate useful lives they have been capitalized. Trademark and foreign registration costs are being amortized using the straight-line method over the following renewal or extension terms:

- European Union Registration: 10 years
- Australian Trademark: 10 years
- Canadian Trademark: 15 years

OA’s future cash flows are not materially impacted by its ability to extend or renew agreements related to its amortizable intangible assets.

**Inventories.** Inventories, consisting primarily of books and pamphlets held for resale, are stated at the lower of cost (first-in, first-out method) or market. Due to the unique nature of OA’s mission, a large number of items are included in inventory. For some of these items, more than a one-year supply is on hand.

**Investments.** Investments consist of certificates of deposit, individual stocks, mutual funds, and money market funds. Investments are carried at fair market value or appraised value, and realized and unrealized gains and losses and investment income are reported in the statements of activities as increases or decreases in net assets without donor restrictions unless a donor or law temporarily or permanently restricts their use. Investment income consists of interest, dividends, and unrealized and realized gains and losses, net of related fees.

**Net Assets.** Net assets are composed of the following:

- **Net Assets Without Donor Restrictions.** Net assets that are not subject to usage restrictions based on donor-imposed requirements. This class also includes assets previously restricted where restrictions have expired or have been met.

- **Net Assets With Donor Restrictions.** Net assets that are subject to restrictions imposed by donors that may or will be met by the occurrence of a specific event or the passage of time. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and are reported in the Statement of Activities as net assets released from restrictions.
NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The governing board has designated net assets without donor restrictions for the following purposes as of December 31, 2022:

An operating reserve in the amount of $425,355, a building and capital reserve in the amount of $9,534, a reserve for the purpose of producing audiobooks in the amount of $6,623, a reserve for the purpose of updating the FAM database in the amount of $58,589, a reserve for the purpose of hiring professional translators in the amount of $50,330, a reserve for the purpose of developing a platform to replace the Lifeline magazine in the amount of $36,032, a reserve for the purpose of updating the OA.org website in the amount of $44,080, a reserve for the purpose of increasing OA’s Public Information/Public Outreach in the amount of $71,351, and a reserve for building repairs and upgrades in the amount of $27,455.

Promises to Give. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. There were no unconditional promises to give at year-end.

Property and Equipment, Net. OA capitalizes expenditures over $1,000 with a useful life greater than one year. Property and equipment is recorded at cost if purchased or fair value if donated. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of property and equipment are recorded as unrestricted support. Depreciation is provided for using the straight-line method over the following estimated useful lives:

- Land improvements 15 years
- Building and improvements 5 to 40 years
- Furniture and fixtures 5 to 10 years
- Equipment 3 to 5 years
NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases. OA is a lessee for a non-cancellable lease of equipment and recognizes a lease liability and an intangible right-to-use lease asset in the financial statements. The lease liabilities are recognized for leases with an initial individual value of $1,000 or more in total future lease payments. At the commencement of a lease, OA initially measures the lease liability at the present value of payments expected to be made during the lease term. Subsequently, the lease liability is reduced by the principal portion of lease payments made. The lease asset is initially measured as the initial amount of the lease liability, adjusted for lease payments made at or before the lease commencement date, plus certain initial direct costs. Subsequently, the lease asset is amortized on a straight-line basis over its useful life.

Key estimates and judgments related to leases include how OA determines (1) the discount rate it uses to discount the expected lease payments to present value, (2) lease term, and (3) lease payments.

a. OA uses a rate of 3.25% for leases with a term of 1 year to 5 years.

b. The lease term includes the non-cancellable period of the lease; the term of the lease contract, including options to extend, must be more than 12 months. Lease payments included in the measurement of the lease liability are composed of fixed payments and purchase option price that OA is reasonably certain to exercise.

OA monitors changes in circumstances that would require a remeasurement of its leases and will remeasure the lease asset and liability if certain changes occur that are expected to significantly affect the amount of the lease liability.

Related Party Transactions. Certain sales of literature and donations are made to and received from member’s groups, intergroups, and National/Language Service Boards or Regions registered with OA. The groups and service bodies are legally separate from OA. Therefore, they are not considered to be related party transactions.

Shipping and Handling Costs. Freight billed to customers is considered sales revenue and the related freight costs is expensed in postage and shipping.

Use of Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires OA to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and those differences could be material.
NOTE 2.  SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

*Risk Management.* OA is exposed to various risks of loss from torts; theft of, damage to, and destruction of assets; business interruption; errors and omissions; employee injuries and illnesses; natural disasters; and employee health, dental, and accident benefits. OA has obtained commercial insurance coverage to protect itself against such losses.

*Subsequent Events.* Subsequent events are events or transactions that occur after the balance sheet date but before the financial statements are issued or are available to be issued. OA recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the balance sheet, including the estimates inherent in the process of preparing the financial statements. OA’s financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the balance sheet but arose after the balance sheet date and before financial statements are available to be issued.

OA has evaluated subsequent events through April 19, 2023, which is the date the financial statements are available to be issued. There were no material subsequent events.

NOTE 3.  RESTRICTED CASH

Restricted cash consists of donor-restricted contributions. OA had $35,912 and $37,308 restricted for travel assistance for conference delegates, $34,520 and $18,101 for translation assistance, and $10,724 and $16,878 restricted for professional exhibit assistance at December 31, 2022 and 2021, respectively. Total restricted cash was $81,156 and $72,287 at December 31, 2022 and 2021, respectively.
NOTE 4. INVESTMENTS

NOTE 5. FAIR VALUE MEASUREMENTS AND DISCLOSURES

OA reports certain assets at fair value in the financial statements. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity’s own assumptions about the assumptions market participants would use in pricing the asset or liability based on the best information available.
NOTE 5. FAIR VALUE MEASUREMENTS AND DISCLOSURES (CONTINUED)

A three-tier hierarchy categorizes the inputs as follows:

Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities at the measurement date.

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability, and market-corroborated inputs.

Level 3 Unobservable inputs for the asset or liability. In these situations, inputs were developed using the best information available in the circumstances.

A significant portion of OA’s investment assets are classified within Level 1 because they comprise open-end mutual funds and exchange traded funds with readily determinable fair values based on daily redemption values.

The following table presents the fair value measurements of assets and liabilities recognized in the accompanying Statements of Financial Position measured at fair value on a recurring basis as of:

NOTE 8. LEASES

Effective January 1, 2022, OA adopted the new lease accounting guidance in Accounting Standards Update No. 2016-02, Leases (Topic 842). OA has elected the package of practical expedients permitted in ASC Topic 842. Accordingly, OA accounted for its existing operating lease as an operating lease under the new guidance, without reassessing (a) whether the contract contains a lease under ASC Topic 842, (b) whether classification of the operating lease would be different in accordance with ASC Topic 842, or (c) whether the unamortized initial direct costs before transition adjustments (as of December 31, 2020) would have met the definition of initial direct costs in ASC Topic 842 at lease commencement.

OA has not restated their December 31, 2021 financial statements to reflect the new accounting standard because the change in net assets would be immaterial. The change is estimated to be less than $400.

Right of Use Asset

OA has recorded intangible right-to-use lease assets as a result of implementing ASC 842 – Leases. The lease assets are initially measured at an amount equal to the initial measurement of the related lease liability. Lease assets are amortized on a straight-line basis over the shorter of the useful life of the underlying asset or the lease term.

Lease asset activity for OA for the year ended December 31, 2022, was as follows:

<table>
<thead>
<tr>

NOTE 10. CONFERENCE AND CONVENTION INCOME

OA holds conferences every year and conventions periodically. The Conference in 2021 was held virtually rather than face to face due to COVID-19 and public health orders from the Governor of New Mexico. The Convention scheduled for 2021 in Orlando, FL was cancelled by the OA Executive Committee due to rising COVID-19 numbers in the state, and a new contract was secured for 2025 in Orlando, FL. OA had already placed a deposit with the hotel, the hotel agreed to take that payment as penalty if OA signed a contract with the hotel for 2025. This deposit/penalty was $36,921, which is included in the expense figure in the amount of $62,102 below. Due to continuing concerns about Covid-19 and ongoing travel restrictions for our international fellowship, Conference 2022 was changed from a face to face to a virtual event. A penalty of $101,168 was incurred with the host hotel in Albuquerque, NM and is included in the expense figure below.

The financial results of conferences and conventions are as follows:

OA does not allocate salaries and related costs to conferences and conventions as no salaries are incurred for the primary purpose of supporting conferences and conventions.
NOTE 11. EMPLOYEE BENEFITS

Retirement.  OA provides a defined contribution retirement plan in which all employees meeting certain eligibility requirements are able to participate. The plan enables all eligible employees to defer a portion of their salaries to a tax-sheltered annuity. OA matches employees’ contributions each year up to a maximum of five percent of their salaries. OA’s matching contribution was $29,748 and $26,748 in 2022 and 2021, respectively.

Compensated Absences. Employees of OA are entitled to paid absence time (PAT) depending on job classification and length of service. Earned PAT accrues to a maximum of one hundred fifty hours and accumulated balances will be paid to employees upon termination. The estimated liability for compensated absences was $25,835 and $35,466 as of December 31, 2022 and 2021, respectively.

NOTE 12. COMMITMENTS AND CONTINGENCIES

OA has entered into agreements with certain hotels for its conferences and conventions to be held in 2025. As part of these agreements, there are cancellation fees per event ranging from $60,630 to $234,016 depending on the timing of the cancellation.

Economic Dependency. OA receives a significant portion of its support and revenues from its donor base and is, therefore, subject to possible loss of funding due to changes in general economic conditions and donor discretion. OA received approximately 63% and 57% of its revenues from their donor base for the years ended December 31, 2022 and 2021, respectively.

In addition, OA receives a significant portion of its revenues from the sale of literature and is, therefore, subject to possible loss of revenue due to changes in general economic conditions. OA received approximately 45% and 35% of its revenues from the sale of literature for the years ended December 31, 2022 and 2021, respectively.
