Call for Stories about Mental Health and Recovery

Overeaters Anonymous is developing a new piece of literature featuring personal stories from OA members in recovery who live with chronic mental health conditions. We are looking for stories that focus on your mental health challenges in relation to your physical, emotional, and spiritual recovery from unhealthy relationships with food and body image.

If any of this is part of your lived experience, please consider sharing your story as a vital service to our OA community!

Questions to get you started:

• What is your experience with balancing your mental health issues and your OA recovery?
• How have the Steps, Traditions, and Tools helped you maintain your recovery while living with a mental health diagnosis?
• What accommodations have you needed to make in order to manage medication side effects, such as weight gain, extreme fatigue, loss of appetite, or memory loss?
• How has the program helped you respond to OA members who don’t understand mental illnesses or the need for medication?
• How have you dealt with mental health issues in your role as a sponsor or sponsee?
• How have other OA members supported your recovery in the face of mental health challenges?

Send submissions to info@oa.org by November 30, 2023 with the subject line: “Mental Health & Recovery.”

Please note:
• Submissions are assumed intended for publication, are subject to editing, become the property of OA, Inc., and will not be returned.
