

CALL FOR SHORT STORIES FOR OA'S NEW DAILY READER!

Hey there! We're excited to create a new daily reader that reflects the wide range of beliefs in our OA community. If you come from a secular or non-traditional background—whatever that means to you—we'd love to hear your voice.

We want to create something that can inspire anyone, regardless of belief or non-belief. Share a meaningful quote from OA literature and let us know how it supports your recovery journey in your own words. Just keep it under **two type-written pages** and **leave out any religious references**, and you're all set.

We can't wait to see what you contribute!
